

Ведомость координат поворотных точек красных линий, фактически существующих

Условные обозначения:

- красная линия, фактически существующая, координатная
- красная линия за границей проектирования
- жилая зона
- общественная зона, учреждения по обслуживанию населения
- образовательные учреждения
- объекты инженерной инфраструктуры
- артезианские скважины
- склады и сараи
- участки под учреждения здравоохранения
- участки под объекты культуры, науки
- участки под объекты спорта
- проектируемая зона
- линия тротуарной линии
- сечения поперечного профиля
